

Odyssey Soccer Complex Rules

- TRASH: Don't let it hit the ground. Put all trash (especially used tape) in the trash barrels. Leaving trash on a field can subject your team to a \$25 fine. If trash is left by the practice/game ahead of yours, stop the parents as they are leaving the field and ask them to pick it up. If they don't do it, then your team will be responsible. EVERYONE HELP OUT HERE!!
- DO NOT CLIMB ON THE FENCE. No explanation needed. This is a safety issue. Please use the gates to enter the complex.
- FIELD USAGE: All use of the fields must have prior approval from Paul Gallagher. No unscheduled play, free play or non-approved play is permitted.
- WEAPONS: Firearms and/or concealed weapons are prohibited.
- DRUGS AND ALCOHOL: Drugs and/or alcohol are prohibited within the complex and in the parking lots.
- BAD BEHAVIOR: Fighting, cursing and other behavior deemed inappropriate are prohibited and are grounds for removal from the complex.
- NO SMOKING! Smoking is prohibited within the Odyssey Soccer Complex.
- NO PETS: Pets are prohibited within the Odyssey Soccer Complex.
- RUNNING & FITNESS TRAINING: Players and Coaches, please limit your warm-up running, fitness sprints, etc. to the "off the grass" areas of the complex. This will help preserve our fields.
- STAY ON THE WALKING PATHS: This applies to EVERYONE! Please use the walking paths to get to your practice field. I know it's tempting to take a short-cut but if we all adhere to this rule, our fields will continue to grow and develop.
- All spectators will be located on the same side of the field. They will be located on the side of the field that is on the sideline (outside) of the larger field. No spectators, chairs, coolers or anything is to be located on the sideline that is in the middle of the larger full size, playing field. Only coaches, assistant coaches, managers and players are allowed on the sideline that is inside the larger full size field.
