Welcome

Thank you for taking the time to read this letter. We hope you will be excited about what we can offer you and your business in low price advertising. Our association has grown at a rate that we cannot continue without our community members getting involved.

Introduction

We:

- Are non-profit soccer association.
- Have an excellent set of board members who are dedicated in making this association the #1 association in the area.
- Offer all kids from ages 4 – 18 years of age to play and learn the game of soccer.
- Give scholarships to those that want to play, but cannot afford to.
- Donate goals to local schools and parks, with nets and soccer balls.
- Stress Teamwork, Hard work and Respect while having fun and to be the best they can be.
- Provide soccer clinics and camps for our players.
- Provide referee's for home games and referee clinics.
- Give all kids a participation award.
- Do not own any playing fields.
- Have fields that we lease from the city of Fort Worth and Lakeside.
- Rely on volunteers, area organizations, businesses and individuals to achieve our goals.
- And more...

Here is why we need you

We need sponsors to keep the registration fees as low as we can so our program is affordable and maintaining the highest level of quality for all youth. We decided to add some very low price advertising to our community leaders. This will help us keep this association affordable for the parents and fun for the kids. This is also a good tax deduction for your business and a great way to bring income into your business. This makes it a **Win, Win** situation for us all. Please look over the Sponsorship Program sheet and let us know how we can best help your business.

Thank you again for your support,

Scott Cronian
